## PAINT

Painting will bring an immediate and big impact in the room

Painting helps to set the tone for the rest of the room

Painting is an easy DIY project so you will save money

Painting is fairly inexpensive to do if you decide to hire a professional

## WINDOW TREATMENTS

Make it decorative and not functional to save

Try Custom or store bought. Custom doesn't have to be expensive and you get to choose

Adds color and a big impact in the room

Sources for store bought: Loom Décor, The Shade Store, and Smith & Noble

## ART

Add art to bring in your personality

Original art is great – support local artists

Sources for art: Minted, Etsy, Fine Art America

Add custom framing to personalize if you decide to do reproductions

## Re-Stuff Upholstery

Upholstery pieces are the largest pieces in a room, so they need to make a great statement

If cushions are worn and sagging, take them to an upholsterer and have them re-stuffed

Try cleaning your upholstery every once in a while

## ACCESSORIZE

Accents and accessories add personality

Great way to change things out seasonally

Add rugs, pillows, books, flowers, and accent furniture

Arrange well so they don't create a cluttered look

## RE-ARRANGE FURNITURE

Experiment with different furniture arrangements

Swap things out from other areas to finish a room

Repurpose items and use them in fun new ways
